Year Levels	2019	2020	2021
Prep – Year 3	22	18	20
Year 4 – Year 6	27	23	25

Notes

1. Classes are measured against the target of 25 students per teacher in Prep to Year 3 and Years 11 to 12, and target of 28 students per teacher in Years 4 to 10. Where composite classes exist across cohorts (e.g. Year 3/4) the class size targets would be the lower cohort target.

Social climate

Respectful relationships education

To support students' learning, health and wellbeing all state schools are required to implement respectful relationships education through the Prep to Year 10 Australian Curriculum: Health and Physical Education and/or through school pastoral care programs across Prep to Year 12.

Parent, student and staff satisfaction

Tables 3–5 show selected items from the Parent/Caregiver, Student and Staff School Opinion Surveys. In response to the COVID-19 health emergency, the annual school opinion surveys of students, teachers and staff were not administered in 2020. A new time series started in 2021 and data from this collection is not considered directly comparable with earlier collections due to significant methodology changes.

For state level information go to the [School Opinion Survey webpage](#).

Description of how this school manages non-attendance

Queensland state schools manage non-attendance in line with the Queensland Department of Education procedures: [Managing Student Absences and Enforcing Enrolment and Attendance at State Schools](#); and [Roll Marking in State Schools](#), which outline processes for managing and recording student attendance and absenteeism.

School disciplinary absences

Table 6: Count of school disciplinary absences at this school

Type of school disciplinary absence	2019	2020	2021
Short suspension	7	1	2
Long suspension	0	0	0
Exclusion	0	0	0
Total	7	1	2

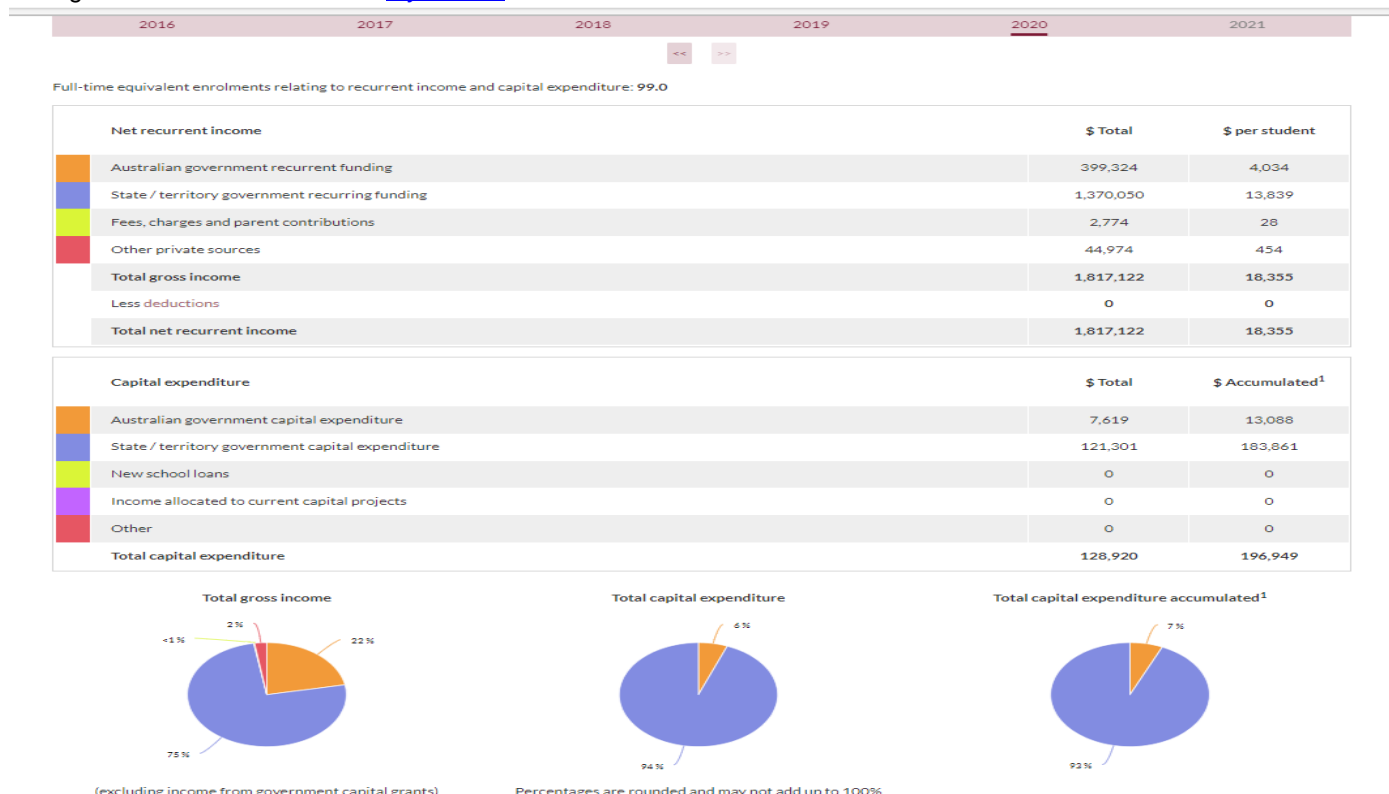

Notes

- School disciplinary absence (SDA) data is a total of short suspensions (1–10 days), long suspensions (11–20 days), exclusions and cancellations.
- The number of SDAs is not the number of students who received an SDA as one student may be suspended several times in a school year. Each time a student is suspended it is recorded as an additional SDA. The data does not reflect the outcomes of appeal decisions.
- 2020 data was impacted by the COVID-19 health emergency. There were significantly fewer SDAs during the home-based learning period (the first five weeks of Term 2) compared to other years.

Teacher standards and qualifications

The *Teacher registration eligibility requirements: Policy* (p.1) states:

To be eligible for registration, a person must satisfy the Queensland College of Teachers (QCT) that they meet requirements regarding qualification and experience, or have otherwise met the requirements of the *Australian Professional Standards for Teachers* (APST). A person must also satisfy the QCT that they are suitable to teach and meet English language proficiency requirements. All these requirements are specified in the Act and the *Education (Queensland College of Teachers) Regulation 2005* (the Regulation).

The qualifications required for teacher registration are successful completion of either -

- (a) a four-year initial teacher education program including teacher education studies of at least one year (e.g. a Bachelor of Education, or a double Bachelor degree in Science and Teaching) or
- (b) a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or
- (c) another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.
