DO OUR BEST

Vision Statement: Build on our strengths, address our weaknesses, reflect regularly on our practices and in all things do our best.

COMPUTER & INTERNET USER AGREEMENT

Parent or guardian

I understand that the internet is a valuable learning resource and tool which can assist my child in the research of certain topics. I also understand that although filters are placed on school networks, information available on the Internet is of an unrestricted nature – a small part of content may be inappropriate. Whilst every care will be taken by the school and individual staff, the responsibility to ensure that no harmful information is examined must rest with the student.

I believe that my child _____ understands this responsibility and I understand that breaking these rules will be subject to appropriate action by the school.

The consent applies for the period of enrolment or until you or the School decide to limit or withdraw consent.

I GIVE PERMISSION FOR ACCESS TO THE INTERNET

I DO NOT want my child to have access to the Internet

I understand that the Internet is an international source of information used for a variety of purposes. I also understand that there is information that I should not be attempting to find. I undertake that I will use this resource in an educationally useful way only. This Computer and Internet User Agreement has been drawn up in an effort to ensure that I understand my rights and responsibilities.

- I will use the Internet for approved educational purposes only
- I will not intentionally look for information that is illegal, dangerous or offensive
- If I accidentally encounter any information that is inappropriate, I will remove it from the screen and inform my teacher without alerting others
- I will not send any information of a personal nature, including my address, phone number, digital photos or other attachments belonging to others or myself without appropriate authority
- I will not intentionally annoy or harass other people on the Internet
- I will not tell anyone my password
- I will not send rude or offensive e-mail messages to anyone
- I will not install or delete ANY software on school computers
- I understand that I may be liable for damage caused to computer equipment due to my deliberate misuse
- I will not use any USB device in any school computer without first handing it to a staff member to be scanned for viruses.

I understand that if I misuse the Internet that my access will be suspended for a time that the school feels appropriate and a consequence will be imposed.
