DO OUR BEST

Vision Statement: Build on our strengths, address our weaknesses, reflect regularly on our practices and in all things do our best.

PHOTO PERMISSION

Dear Parents/Guardians,

Throughout the school year students may have their photograph taken while participating in school activities. At times some of these photographs may be published in the newspapers, school newsletters, educational documents, Education Views Newspaper, community noticeboards or the Benaraby School website. Names will not accompany any photos featured on the school website. Our school newsletter is displayed on the school website, therefore, if you choose to withhold permission for photos to be used on the school website this will also exclude your child/children from having their photo in the school newsletter.

Where there is more than one child in a family, please name all children on one form.

For your child's photo to be published we require this permission from parents or guardians.

The consent applies for the period of enrolment or until you decide to limit or withdraw your consent.

Thank you,

A handwritten signature in blue ink, appearing to read 'Michele Krause'.

Michele Krause
Principal

I _____ GIVE / DO NOT GIVE (please indicate) permission for my child / children _____ in class _____ to have their photograph taken. I understand that these photographs may be published in newspapers, school newsletters, school website, educational documents and Education Views Newspapers or on community noticeboards.

I give permission for these photos to be used on the school website on the understanding that names will not accompany the photos and understanding that withholding permission will also exclude children from having their photo in the school newsletter.
