Dear Parent/Guardian,

The use of web based educational resources has risen steadily over the last decade and are increasingly being used by teachers across Queensland to improve student learning outcomes. Our school and teachers make decisions about the best technology to meet the needs of our students. Sometimes it is beneficial for students to utilise services provided by third party web based providers. Benaraby State School wishes to utilise the third party web based service providers listed below to aid students' learning. For your student to use the service, the teacher will need to register them as a user. Registering with these providers requires student personal information to be disclosed to the provider of the service. In the case of the services outlined below, they are private companies that are hosted *onshore in Australia and/or outside of Australia*. Outside of Australia means that data that is entered in to register for these sites will be stored on servers that are not based in Australia and therefore are not bound by Queensland's privacy laws. Registration may include disclosing the following information about your student:

- Student's Name
- Student ID
- Age
- Year Level
- Class Teacher
- Student Email

We need your permission for the registration of these sites by your student. **This consent applies for the duration of enrolment or until you decide to limit or withdraw your consent.**
